## In-Home Assessment

Non-medical Assessments are conducted to find clients' functioning capabilities, to identify their needs, and to determine what services are required to assist them attain and maintain independence.

Nursing Assessments if needed, are an expanded version of the Non-medical Assessment as they more thoroughly examine and identify health conditions, levels of care required, and appropriate medical interventions. If indicated, coordination of care with other health professionals can be arranged.

## Who Can Obtain Service

Certain segments of the population will find our services especially beneficial such as people who are frail; elderly; homebound; physically challenged; recently discharged from hospital; and accident victims. Our services are available to Medicaid recipients, Medicare recipients, private insurance policyholders and private payers.

## When Service Is Available

Several hours per day multiple times a week.

## Where Service Is Delivered

We service Bamberg County and parts of Barnwell, Allendale, and Orangeburg Counties.

## How Costs Are Determined

We charge a variable rate based on the service needed, when it is provided, where it is delivered and the income of the clients.
